

## Living with Fire in Northern New Mexico: Fire, Forests and Communities

---

**November 16, 2013 Santa Fe Community College Jemez Rooms  
6401 Richards Avenue**

**9:00-9:15 Welcome** Kathy Holian, Santa Fe County Commissioner

**Introduction to the day's program:** Anne Bradley, The Nature Conservancy

**9:15-10:45 Fire and Forests: The Science of What We Know** (Moderator: Don Falk)

- Ellis Margolis and Don Falk, University of Arizona - The living landscape: Forests, fire and water in northern New Mexico.
- Tom Swetnam, University of Arizona - People and fire in northern New Mexico: the 700 year old wildland urban interface.
- Craig Allen, US Geological Survey - The future forest: Implications of climate change for forests and fire regimes in northern New Mexico.

**10:45-11:00 Break**

**11:00-12:00 Integrating Science into on-the-ground forest restoration**

- Dennis Carril, Fire Ecologist, Santa Fe National Forest – Right time, right place: Managing fire on public lands.
- Dave Lawrence, Forestry Program Manager, Santa Fe National Forest - Reducing risk and creating opportunities: thinning to restore forests and provide livelihoods

**12:00-1:00 LUNCH**

**1:00-1:30 Integrating Science into on-the-ground forest restoration (continued)**

- Bob Parmenter, Chief Scientist, Valles Caldera Trust- Animal planet: Living (and dying) with fire: Fish and wildlife mortality, survival and post-fire recovery in the Jemez Mountains.

**1:30-3:00 Communities living with fire**

- Claudia Standish, Bureau of Land Management – Smoke management and YOU!
- Anne Bradley, The Nature Conservancy - Fire for Water: the emerging wildfire and water source protection fund.
- Eytan Krasilovsky, The Forest Guild, Krys Nystrom, Wildland Division Santa Fe County- Fire Adapted Communities, and Daniel Ware, EMNRD – Forestry Division: Safe neighborhoods and resilient forests.

**3:00-4:00 Find out more- Talk with the speakers and your neighbors**

**4:00 Adjourn**
