Fall 2020 Newsletter

If you have information or events you'd like us to share or ideas for future science and management based products or events, please [contact us!](#)

Opportunities

Webinars:

Nov 18, 2020:

"Wildfire-driven forest conversion in Western North American landscapes" 12:30 MT.

[Click here to register!](#)

Nov 19, 2020:

"Potential Operational Delineations (PODs), what are they and how do they work on the ground?" 12pm MT.

[Click here to register!](#)

Dec 8, 2020: "The role of risk management prioritization decision support tools," 12pm MT. Registration coming soon.

Jan 14, 2020: "The effects of prescribed fire on wildfire regimes and impacts," 12pm MT. Registration to follow.

Conferences

Wildland Urban Interface Virtual Conference, Nov 4-5, 2020. [Click here for more information.](#)

Society of American Foresters National Convention is virtual! Oct 29-31, 2020. [Click here for more information.](#)

American Geophysical Union (AGU) Virtual Meeting Dec 1-11, 2020. [Click here for more information.](#)

IAWF "16th International Wildland Fire Safety Summit & 6th Human Dimensions of Wildland Fire Conference" May 24-27, 2021 is virtual. [Click here for more information.](#)

Recent SWFSC products

Videos

"Collaborative tools & science developed through the Joint Fire Science Program: Southwest FireCLIME," [click here to watch.](#)

"Resilience in National Forest Planning," webinar recording from Sept 2020, [click here to watch.](#)

Story Map

"Fighting for Firefighter Safety," how JFSP research and outreach addresses firefighter safety, [click here to view.](#)

Podcast Series

Check out the SWFSC funded portions of the [Hot and Dry podcast series here!](#)
