

Name: _____

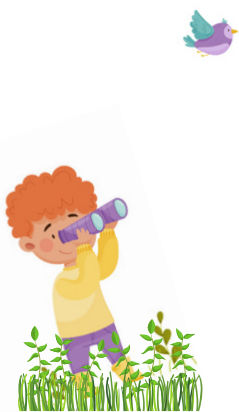

Schoolyard Exploration

Go outside with your teacher. Look around. What do you see? What is living in your schoolyard?

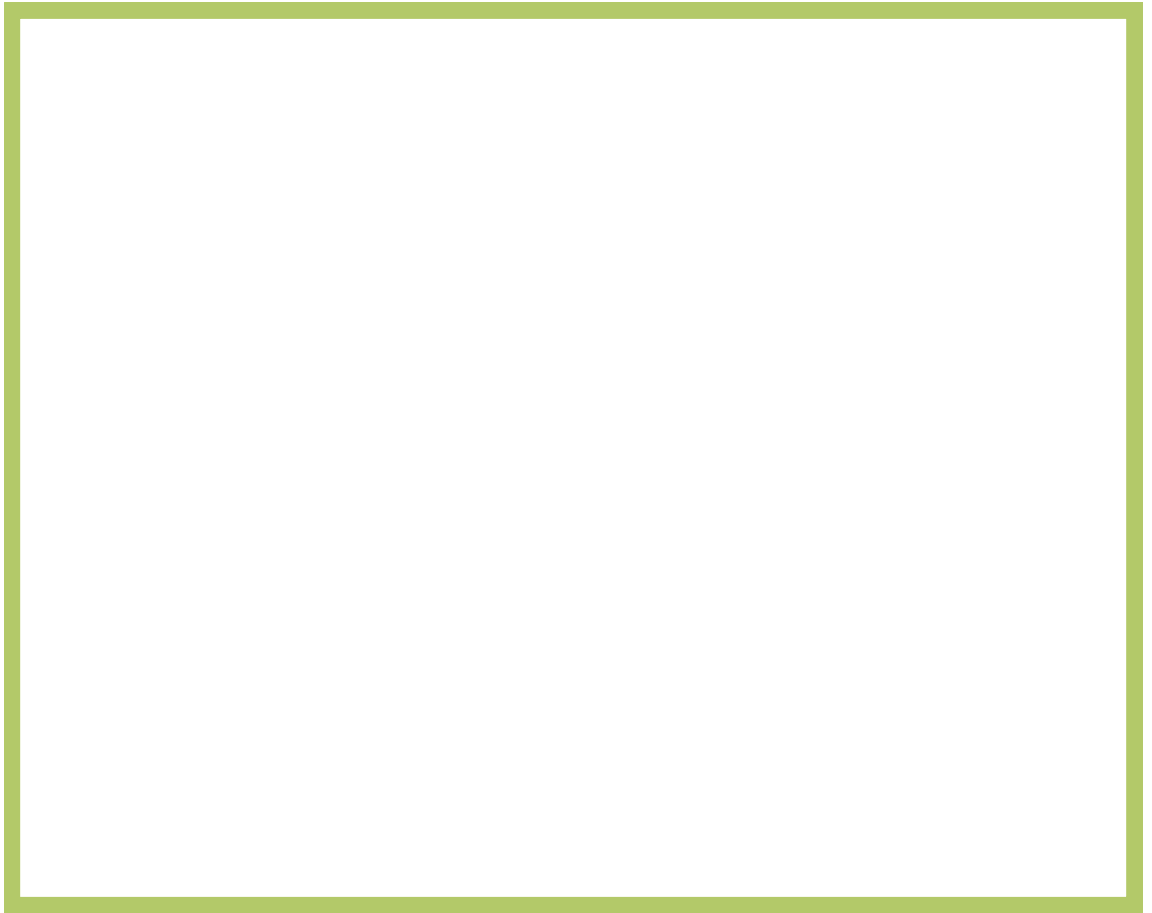

Look down.
Draw what you see.

A large, empty rectangular box with a green border, intended for the student to draw what they see when looking down.

Look up.
Draw what you see.

A large, empty rectangular box with a green border, intended for the student to draw what they see when looking up.

Look at eye level.
Draw what you see.

Choose one
living thing to
observe more
closely.
Draw what you
observe.
