SIGN UP

We invite you to table and/or sponsor the **Arizona Tribal Fire & Climate Resilience Conference** taking place October 8 - 10, 2024 at the San Carlos Apache Gold Casino & Resort.

This free summit will focus on increasing Tribal capacity and knowledge around wildland fire and climate change impacts to landscapes in the southwest. We will create a space where Tribal leaders, land managers and practitioners can voice their concerns, priorities, needs and wishes and how non-Tribal groups can assist in their efforts to build more resilient landscapes and communities.

In addition to the many learning opportunities, we will host a resource fair on Wednesday Evening.

We will provide 1 covered table and 2 chairs.

The cost to participate follows:

1. Commercial: \$250
2. Federal, State or Academic Institution: \$100
2. Non-Profit: \$50
3. Artists and crafters: \$20

We can build tailored sponsorship packages to suit your organization's needs. For further information or to secure your preferred sponsorship option, please contact Mikel Robinson, mikelrobinson@live.com or 406-546-8584,
